

R210 SPRAYHOOD & TENT CLEANER

For all outdoor fabrics. A two-in-one product that removes dirt and deposits in one and the same operation. The treatment with R-210 does not change the features of the materials.

Instructions

Instructions for use, spray and wash:

Mix R-210 in a ratio of 1 part to 4 parts of water in a spray bottle or as needed.

For very dirty surfaces, the product can be used concentrated.

Spray on and make the hood well moist and let the mixture work for min. 10 minutes. Avoid the product drying onto the surface. Wash afterwards with a soft brush, damp microfiber cloth or a soft sponge. Repeat the treatment as needed.

Finish treatments by rinsing with clean water.

Preventive:

For areas with lighty green surfaces. Mix R-210 in a ratio of 1 part to 4 parts of water in a spray bottle. Spray on. Let the product work. After a few days, weather and wind will ensure that the surface is clean.
