

R-110 GEL COAT CLEANER

An efficient and economical cleaner which will leave gel coat and painted surfaces clean and non-greasy.

Instructions

Instructions for use: Mix with water at a ratio of 100 ml R-110 Gel Coat Cleaner to 5 liters of water or stronger as required. Wash surface with sponge or soft brush and wipe off with a microfiber cloth.

1 Liter | 179,00 DKK
5 Liter | 649,00 DKK
1 Liter | 24,10 EURO
5 Liter | 87,40 EURO

Renskib recommends:

Mix 50 ml R-110 in ½ liter of water in a spray bottle. Spray, covering smaller areas as you go and then wipe down with a damp microfiber cloth. This also ensures low water consumption.
